

Haitian Summer Institute 2010

Now entering its 13th year, the Haitian Summer Institute is co-sponsored by the Latin American and Caribbean Center at Florida International University and the Center for Latin American Studies at the University of Florida.

The institute is designed for anyone interested in acquiring basic conversational proficiency in Haitian Creole and also for those students who wish to continue their Haitian Creole language training at the intermediate and advanced levels. Participants are introduced to Haitian history and culture through lectures in English and Haitian Creole presented by invited speakers from a variety of disciplines. The institute is held at FIU's Modesto Maidique Campus in Miami.

The six-week program is divided into two parts and students have two enrollment options: Accelerated Beginning Haitian Creole for the first three weeks and Accelerated Intermediate Haitian Creole for the final three weeks, or Accelerated Intermediate Haitian Creole for the first three weeks and Accelerated Advanced Haitian Creole for the final three weeks.
