

**Mentoring Program Members: We hope you can come to the final event of the year for the Faculty Mentoring Program!**

**CAS and CEC Faculty Mentoring Program  
Networking Lunch & Workshop on Summer Planning**

Wednesday, May 16th, 12:00-2:15 in AHC-1, Rm. 110

For the last CAS/CEC Faculty Mentoring event of 2011-2012 we invite mentors and mentees to lunch to review the progress you made on your beginning-of-year goals and to attend a session on summer planning immediately following lunch.

*Come with your mentor/mentee or come alone!*

12:00-1:00pm      **Networking Lunch and Review of Goals from Fall (bring your agreement)**

1:00-2:15pm      **Capitalizing Gains and Maximizing Progress During the Summer**

In this workshop we will lead you in exercises (with your mentor or will provide you with a partner) to improve your work efficiency over the summer months. Specifically, this workshop will assist you in creating sub-goals and points of accountability for summer projects, identifying roadblocks, and locating resources to improve your productivity.
