There are a few requirements that students must meet to complete the Online Asian Studies Bachelor's Degree. Introduction to East Asia (**ASN 3410**) and East Asian Civilization (**ASH 4300**) are the only courses that students are specifically required to take. However, all students must also take 9 credits in International Political Economy of Asia and 9 credits in Asian Cultural Studies from the Asian Studies course list. In addition, each student must take 6 credits in her/his main concentration (Fully Online Asian Studies B.A.). Because understanding language is paramount to understanding culture, students must achieve some proficiency in an Asian language (e.g. Chinese or Japanese).
