Concentration Electives: 18 Credits

All major electives must be at the 3000 or 4000 level. Students must have a grade of 'C' or better in each course; a 'C-' is not acceptable. Six courses of concentration electives may come from any department within the School of International and Public Affairs (SIPA). No more than six credits may come from any one department. Students are encouraged to pursue a Leadership Certificate (18 hours) to fulfill their 6 Concentration Electives. Three of the Leadership Certificate courses will be from the BPPS.

General Electives: 12 Credits

Four courses of general electives can be from any department at the 3000 level or greater.
